PIGS (Projects in Grocery Sacks) and WIPs (Works in Progress)—whatever the name, it’s an UnFinished Object and something needs to be done about it! Summer inspires me to retreat to Area 51 to clean, straighten and sort all the quilty stuff that now clutters all horizontal surfaces in the room. This gives me a break from the heat and gets Area 51 organized and ready for Fall/Winter stitching. I also give myself permission to repurpose UFOs that no longer speak to me. After all, there are a bazillion quilt patterns out there and only so much time, so why spend it on what no longer appeals? I bag it up with instructions of what it is intended to become and donate it to the Mountain of Quilts for someone else to find interesting and complete it.

I did have a slight set back in my UFO finishing goals: I completed two table runners that had been hanging around awhile and a large quilt—yea!—but then I took three classes and, you guessed it, three new UFOs were the result!

Be sure and get your elegant Quilt Show pins—and consider chairing the Quilt Show. It’s a fun job—ask Patty Yedinak. We will also be looking for chairs for the Quilting Bees, the Newsletter, the Block Exchange and Quilt Promotions/Fair. Get in touch with me for more information.

You can always contact WSQ Board members by going to www.wsqspokane.org and hovering your cursor over “About WSQ” on our Homepage. Click on Board Members and a drop down box allows you to email any WSQ Board member. We are exploring the possibility of updating our logo. If you would like to be on that committee, let me know. And, if you know of someone who has represented WSQ effectively and is there when we need her, please let me know. We have a Silver Thimble Award for those who go above and beyond.

Now, go clean up your sewing area—and get out of that hot sun!

OFFICER REPORTS

FIRST VICE PRESIDENT – Cindy San Miguel - There are still openings in the Louisa Smith classes on the 25th, and 26th of April. Our speaker in July will be CINDY NEEDHAM who will be lecturing All about Thread followed by a workshop Heirloom Feathers & Backgrounds and Linen Ladies Workshop. Website: www.cindyneedham.com September 25th is Nancy Amidon. Her lecture is called Traditional Appliqué. She will be doing a two-day workshop. Website: www.amidonquiltworks.com. I encourage you to visit the websites of each of our speakers to get to know them and their styles.

SECOND VICE PRESIDENT - Patty Yedinak - The Quilt show committee has met two times. All positions are filled, although a couple of committees need Co-chairs. Contact Twila Prociw and/or Jeanette Wilson if you would be interested in volunteering for a quilt show co-chair position. Registration forms are here and have more clarification of machine quilting. On the back is an explanation of the categories and drop-off points for the quilts. The 8th of August is the last day of registration, and August 9th THE LAST POST MARKED DATE. Enter as many quilts as you wish, but none previously entered. Also quilt does not have to be done at this date, but do mark down the size of the quilt. We need volunteers with the registration of the quilts and to do data entry of the registration forms. Registration will be on the website. Be sure to print 3 copies.

TREASURER REPORT – Linda Lee – This will be her last year. We are looking for someone to take over the position next year. If you are interested or know someone who might take the positions please contact Kathy Woods. Total checking is $62,972.55, and total Money Market and CD’s is $52,901.70.

COMMITTEE REPORTS

LIBRARY – Linda Dickens - The library made $225, at the yard sale. Our speaker, Louisa Smith, donated a book to our library. To check a book out you will need your current WSQ membership card. At this time the library asks that you not donate any magazines. We need volunteers to help at the library tables during the evening meeting. Contact Linda Dickens, or Beth Camp if you are interested.

WSQ CHALLENGE – This year the WSQ Challenge is “You Got to Have Heart”. The packets are 50 cents. The wall hanging must not measure more than 144 inches around. It must have a heart somewhere on the quilt. ALSO this year instead of fabric there will be two paint chip hearts in the envelope. Those are the colors that must predominate the quilt AND the paint chips must be attached to the quilt with the ribbon and safety pin in the envelope. You will sign-out the packet with no changing among friends, or changing colors.

PUBLIC RELATIONS – Beth Camp - Public Relations is looking for a few good volunteers. There is a great need for someone that can do computer design work, and someone to do data entry. See Donna Kuhn or Donna Kruger.

BUS TRIPS – Kitty Burton – The next bus trip is coming up May 24th. There are still spots open so sign-up today! Kitty showed a quilt that was made from the red, white, and blue blocks from the last bus trip and will be presented to Quilts of Valor. Save the date, September 27th for our “shop till you drop” adventure. Seats are $45 and will be available at our July 24th and September 25th meetings.

RAFFLE QUILT 2015 – Carolyn Koenig – The name of next year’s raffle quilt is “Traditional Mystery”. It is Modern/traditional with positive and negative. The blocks are from “100 Modern Quilt Blocks” by Tulia Pink. Each block packet is $5 and makes one 6 ½” block. There are some packets that have only the focus fabric and instructions. You add the other fabrics. There are 4 – 6 ½” blocks in that packet. Blocks that are completed by September will be in the county fair and on sale.

RAFFLE QUILT 2014 – Paula Ferry – The 2014 raffle tickets are ready for pick-up. The tickets are $1 each. Volunteers are needed for the Women’s Show this weekend to sale raffle tickets on Friday and Saturday. Also so on August 23rd, the Buggy Barn is having their outdoor show and volunteers are need to sell raffle tickets.

HOSPITALITY – Robin Waggoner – Rosalinda Krigbaum is stepping down as Hospitality Co-Chair. Be sure when you go into any of the quilt shops to let them know how much they are appreciated. Pink Lemonade, an on-line shop, carries organic fabric, so be sure to give them an e-ring. Charming Lulu’s is in the 1300 block of Mullan in Spokane Valley. Be sure to stop in and say “hi” to Stephanie. Heartbeat Quilting is having an open house celebrating the new addition to the shop. They do Longarm quilting, and also rent time for you to use a longarm machine. They carry a wide range of supplies for Longarmers. If you would like to volunteer to help with Hospitality please see us at the back table.

SMALL GROUPS – Robin Waggoner – WSQ is a large guild that meets four times a year. For those that would like to meet with fellow quilters more often we have small groups that meet on a weekly, or monthly bases. They are listed on the WSQ web site and in the newsletter.

Welcome to summer! It’s hard to believe our quilt show is just three short months away. There’s a lot happening at the July Membership Meeting. Read on for more details.

July is “Volunteer Month”. This is the time the Quilt Show Committee requests your assistance to work at the quilt show. There are lots of opportunities and many areas that need your help. It takes over 300 volunteers to put on a show of this magnitude. If you could volunteer for a few hours, a few days, or anything in between – we can use you. Some of the opportunities for volunteering are: Set Up, Boutique, Hostesses, Stash Check, Fund Raising, Ballot Counters, etc. You’ll find the volunteer sign up table in the large meeting room at the July meeting. Remember – all volunteers get into the quilt show free.

Our WSQ Boutique is always a big success during the quilt show. If you want to sell your quilt-related items at this year’s show – you’ll need to obtain a Consignment ID. Jeanette Olson will have Boutique Consignment Forms available at the July meeting. The deadline for submission is September 25, 2014. If you have any questions about selling your quilt related items, contact Jeanette Olson or send me an email at secondvp@wsqspokane.org

Have you registered your quilt(s) for the show? There are 3 ways to register: 1) download a form from our website; 2) pick up a form at your local quilt shop; or, 3) pick up a form at the July Membership Meeting. Please turn in or mail your completed forms to Suzie Stacey, postmarked by August 9, 2014.

The Quilt Show Committee is pleased to announce we will be hosting the “Quilts of Valor” this year. Their mission statement: "The mission of the Quilts of Valor Foundation is to cover all combat service members and veterans touched by war with comforting and healing Quilts of Valor". We will be hosting a QOV block drive. The requirements are: 12.5” x 12.5” unfinished in red, white, blue, or gold (patriotic colors). There is no predetermined pattern; it’s your choice. You can bring your block(s) to the quilt show and turn them into the QOV representative. By the way, if you could sign your block with your first name and state, this makes it more personal to the veteran receiving the QOV. If you’d like more information about Quilts of Valor, please see their web site at www.qovf.org

Our next Quilt Show Committee meeting is July 8th at the Argonne Library; the meeting starts at 6:00 pm. If you’d like more information, please contact me at secondvp@wsqspokane.org.

Respectfully submitted,
Patty A. Yedinak

As you all know, selling tickets at the Spokane Interstate Fair is a 10 day stint for Washington State Quilters and there is still a lot of openings for volunteers. If you volunteer to sell tickets for a four hour session, you get into the Spokane Interstate Fair for free, you get to meet a lot of really nice people, promote WSQ and help Washington State Quilters make money for the many wonderful things we do.

Please think about volunteering for the Spokane Interstate Fair this year. As a WSQ member, volunteering not only helps our guild, it will make your heart feel good!

There also are still openings for the Demonstration Committee for the WSQ Quilt Show and by volunteering for the Quilt Show, you get into the show free for all three days. The sessions usually run 3 hours, you will hand out questionnaires, and perhaps hold up a quilt or two for the demonstrators, but the best part of being a Demonstration Volunteer is that you get to get up close and personal with the demonstrations. I have learned so many things being a Demonstration Volunteer and I love doing it.

Call Nancy Hartley at 238-9450 or 993-5782 and set up a time. You'll be glad you did!
Call for Nominations April 2014

The Nominations Committee needs your help. We are supposed to have a list of executive officers in this issue of the newsletter for the membership to get to know before we vote them into office in September. We were not able to print such a list in this issue because we have not had enough volunteers for these positions. At the July General Membership meeting there will be a place on the door prize slips for you to nominate yourself or anyone else that you think would be a good candidate for any of the officer positions. Please be sure that the person you nominate is willing to take on that position. It really doesn’t work well when we call someone and they are surprised to hear from us!

The Committee must find at least one nominee for each of the elected positions: President, First Vice President, Second Vice President, Secretary, and Treasurer. The term of office is one year. Each elected officer may serve in the same office for no more than two consecutive terms. Any member of WSQ may run for office and/or nominate another member. We are currently looking for a Speakers Chairman (First Vice President), a Quilt Show Chair (Second Vice President), and a Treasurer. The Speakers Chairman books all our speakers and classes about 18 months ahead of time. The Quilt Show Chair oversees the work of the Quilt Show committee to put on our fantastic show. The Treasurer oversees all our finances and keeps us on track. This job has become so large that we are looking for someone with professional book keeping experience. Any of the ladies currently holding these jobs would be happy to talk to you about what the position entails and how much time it takes. We will be looking for a President and a Secretary next year. We would also like to develop a list of anyone that would be interested in any of the officer positions. Sometimes, an officer has to step down before the end of their term and it would be nice to have a list of possible replacements.

Nominations will close at the end of the evening meeting in July. The list of candidates will appear in the September Newsletter and installation will take place at the September meeting. Thanks for your help.

Kathleen Woods, Carolyn Kruger, and Donna June Kellams

If you are interested in signing up, please contact Cheryl Clossin or Paula Ferry at email: 2014.raffle.quilt.wsqspokane.org or drop by the 2014 Raffle Quilt Table at the meeting on July 24th at Center Place to sign up.

Robin Waggoner, Small Group Scoop
Notes From The WSQ Library

NO MORE MAGAZINES, please! Our magazine sales are dropping each meeting, and Linda's storage areas are full. Those magazines are darn heavy as well. Please donate your quilting magazines to Value Village or your favorite charity, or take those magazines to your small quilting group to share.

Please lighten our library tables by buying some quilting magazines -- a real bargain at 25 cents! April magazine sales in 2014 brought in $42, but last April magazine sales were $84. We're not buying as many library books this year because our overall sales income is down, only $97 for magazine sales in 2014. Summer's finally here. Maybe you'd like to experiment with some new patterns. See award-winning quiltmaker, Ineke Berlyn's *Landscape in Contemporary Quilts* to move from some of your favorite photographs to a very unique quilt. Or perhaps you'd like to be inspired by Anja Townrow's *Dutch Flower Pot* to start a floral quilt to remind you of summer flowers. Just show your current WSQ MEMBERSHIP CARD to check out books.

Any overdue books? Please look for that blue label “Washington State Quilters LIBRARY.” That overdue favorite you’ve buried under a UFO could help someone else. Plan to return any overdue books at our next meeting. Thank YOU! Volunteers are still needed – especially for the evening meeting to help with set-up and take-down. Thank YOU to our wonderful April volunteers: Abbi Barden, Lorraine Ader, and Shawna Troyer. Comments or suggestions? If you have quilting books to donate, we'll pick them up!

Please e-mail or telephone Linda Dickens (328-1370) or Beth Camp (863-5536), at librarian@wsqspokane.org

---

**WSQ LIBRARY RULES**

- You may check out up to 4 books if you are a WSQ member and if you have no overdue books.
- Books are due at the next WSQ meeting, OR use our DROP OFF BOX at Cozy Quilt or The Quilting Bee.
- Library items not returned within two meetings are considered overdue.
- Members shall pay the retail value of any lost book/s.

WSQ membership runs on a calendar year, that means from January 1 to December 31. What does this mean to you?

- Everyone who is a member now needs to renew membership to keep enjoying the benefits of belonging to WSQ. You can do this beginning with the September meeting through the end of February (a little grace period).
- You can renew at September or January's meetings (or even in July, if you sadly let your membership lapse) or send your $25 to me in the mail (Membership Registration form above or visit our web site for address and details).
- If you haven't renewed by the end of February, you will be dropped from our roster. Practically, this means you won't receive April's newsletter, be able to participate in the yard sale, be able to register early for workshops, or enjoy the many benefits of being a WSQ member.

**Even if you became a member in March, April, May, June, etc. you have to renew by the end of February**

Woven Heart Star Block
July 2014 Block Exchange
Twila Prociw

What you will need: Sewing machine, thread to blend with your colors & cutting tools.

From White: Cut: 4 - 3½” sq. & 4 - 6½” x 3½” rectangles.

From Light print: Cut 1 - 6½” sq. Finger press lightly in half both ways.

From Medium print: Cut: 8 - 3½” sq.’s & 1 - 2 5/8” x 3¾”

From Darker print or tone on tone: Cut: 1 - 2 5/8” x 3¾”

On the back of both 2 5/8” x 3¾” Adhere 2 sided heat adhesive (such as heat-n-bond) leaving the paper on the other side. Now trace U shaped pattern with cutting lines on the paper side of each. Trim and cut slits. Remove paper, weave the 2 heart halves into a whole, center and press onto the 6½” sq. Using a small/tight zig-zag stitch, finish all edges of the heart.

Mark your medium color 3½” sq.’s diagonally. Place one of these on the left side of a 3½” x 6½” rectangle, right sides together, with diagonal mark going from upper left to bottom just past center. Sew along marked line. Trim excess from lower left below seam leaving ¼” seam allowance. Now press the colored triangle downward to fill the blank area. Re-peat these steps on all 4 - 3½” x 6½” rectangles using the rest of the 3½” sq.s with diagonal starting on the upper right, repeat the earlier sewing directions following the marked line, trimming the lower right excess, pressing seam allowances of all 4 toward the colored triangle. Measure and Trim edges to make sure they are still 3 ¼” x 6 ½”. These will be your flying geese/points of your star. Your seams will cross over each other at the lower edge center (your ¼” seam allowance so that you have a nice point at the center).

Following layout below, sew pieces together as a basic 9 patch. Square up at 12½” Sq.
Last October, my four sisters-in-law from Michigan, Colorado, and Connecticut flew out for “Sister’s Weekend” in Spokane. They were impressed, surprised and enjoyed visiting the professional and classy WSQ Show. They saw the Northwest in a new light. Something new to all of us was “Quilts of Valor.” I signed up as a volunteer.

I started out binding quilts, and soon I had graduated to putting squares together. Red, white and blue squares had been made and donated from volunteers from different states. Jim from Oklahoma, Sue from Texas, and Julie from Kansas and others signed their individual squares and they all went together to make a beautiful quilt. A volunteer long-arm quilter made my work look good.

Around Memorial Day, 2014 I told my husband, “Brandon is going to be presented with a Quilt of Valor. You have to be there.” Brandon is 23, living with us, working and going to school after two tours in Afghanistan in the Marines.

I told Brandon, “Your grandfather is going to be presented with a Quilt of Valor and it’s a surprise. You have to be there.” (Ray served 28 years in the navy- submarine service. He was on the USS Triton, when she went around the world in 84 days following Magellan’s route that took him three years.) Ray later served with his father on the submarine, USS George Washington Carver. His dad retired after 42 years in the navy. The crew called them - “Papa Kuhn” and “Baby Kuhn.”

Diane Watters, QOV area coordinator, made the presentation. Since I had worked on both of the quilts, I had my picture taken with the two Veterans. I’m the short one in the middle.

Quilters are the most caring people I have ever met. I’m going to make my first presentation of a QOV on July 4th to a Korean Conflict vet from a grateful nation.

**Cell phones:** turn them off or to vibrate, show our speakers this courtesy.

**Doors open** for the afternoon meeting at 11:30 to allow CenterPlace crew and our staff to get the room ready for you.

**Show and Tell:** Limit of two quilted items and they must be finished (i.e. binding on, quilting done).

**Block Exchange:** Make as many of the published block as you like. The drawing is held at the evening meeting. If you are not present, your winning blocks will be mailed to you. Completing a quilt from these blocks by the next meeting may get you a gift from the block exchange committee.

**Parking** is plentiful, but consider car pooling and park responsibly.

**Library:** Books can be checked out and returned at the next meeting. Four books may be checked out per paid member per meeting.

**Library Sales:** Sometimes we have donated books and extra magazines that can be purchased. Money from this sale is used to buy more books. Make book recommendations to the Librarian.

**Mountain of Quilts Table:** There are kits made from donated blocks or fabric available at this table. You can take these kits to make a quilt for charity. You can leave your donation of fabric here for others to make charity quilts. Bring your finished quilts to this table and they will be distributed to charities. Or go ahead and give the quilt to a charity of your choice; be sure to note that gift on the door prize slips at the next meeting.

**Volunteer of the Year:** Once a year, in January, all the lists of volunteers are collected from the Committee chairs. Volunteer once and your name goes in the drawing for a free WSQ workshop. Volunteer 10 times and your name goes in 10 times.

**Raffle Quilt:** Our raffle quilt is one of our largest fundraisers. The quilt usually is presented at the January meeting and tickets can be purchased from April until the next quilt show. Drawing for the quilt is on the last day of the Quilt Show. Blocks for future raffles may show up in January, but are more likely in April when you can purchase a small packet to make blocks for this future quilt.

**Showing raffle quilts from other guilds:** To hang a raffle quilt and sell tickets during our guild meetings, your organization must be a non-profit organization, licensed in Washington. Contact the Hospitality chairman prior to the meeting to make arrangements. Bring your own quilt frame.

**Quilting Bees:** Quilting Bee is held four times a year. You need not be a WSQ member to attend. Bring your own project to work on, a potluck dish, your own utensils, and be ready for fun.

**Yard Sale:** Held once a year, usually in the spring at the West Central Community Center Gym. Must be a WSQ member to rent a table and all items sold must be quilting related.

**Small groups:** We are a huge guild! These smaller groups allow you to get to know like-minded fabricaholics much better. Find one in your area from the list in the newsletter or start one of your own.

**Workshops:** These classes are exceptional opportunities to learn new techniques from the renowned teachers that we bring to our guild for you. Space is limited to 20 per class and you must pay your fee to reserve your spot. Open first to members.

"America the Beautiful": Two Tree Blocks

If you are working along with me making rows for the mystery quilt, this month you will need to make eight tree blocks. (I’m planning to mix tall trees and short trees; however, you might choose to make a different forest than mine!) If you want to make blocks for the traditional exchange, you may choose to do that as well. Remember the bright version uses a white-tone-on-tone for the background while the cottage version uses a cream tone-on-tone. Either way, you will need:

<table>
<thead>
<tr>
<th>Tall Tree</th>
<th>Short Tree</th>
</tr>
</thead>
<tbody>
<tr>
<td>(3) 6 ½” x 3 ½” green print</td>
<td>(2) 6 ½” x 3 ½” green print</td>
</tr>
<tr>
<td>(6) 3 ½” x 3 ½” background</td>
<td>(1) 6 ½” x 3 ½” background</td>
</tr>
<tr>
<td>(2) 1 ½” x 3” background</td>
<td>(4) 3 ½” x 3 ½” background</td>
</tr>
<tr>
<td>(1) 1 ½” x 1 ½” brown print</td>
<td>(2) 1 ½” x 3” background</td>
</tr>
<tr>
<td></td>
<td>(1) 1 ½” x 1 ½” brown print</td>
</tr>
</tbody>
</table>

Directions:
Place one 3 ½” background square on one end of the green rectangle and sew along the diagonal to create one side of flying geese unit. After folding, trimming and pressing, repeat using another 3 ½” background square on other end of rectangle to finish flying geese unit. Repeat these directions to create three flying geese units for tall tree or two flying geese units for short tree.

Sew brown print between the two 1 ½” x 3” background pieces to create trunk unit.
Sew three flying geese units to trunk unit for tall tree OR sew 6 ½” x 3 ½” background piece to top of two flying geese units and add trunk unit at bottom. (See examples of both blocks below)
